Dear Luisela,
Thank you for the additional information about your family picture, Market Scene.
It is my personal opinion and solo opinion that your picture is the work of two artists,
Vincent van Gogh and Henri de Toulouse=Lautrec.
The date is 1886.
The upper left is where the signature and monogram appear.
Please keep the picture safe.
Best regards, Janet

Hi Janet,

First of all, pardon my English, it's very bad, I have been writing with the help of Google Translate.

Now, looking at the painting again, notice what I believe are the initials "TL" and the infinite symbol.
They are located above and to the left of the hat of a man with a pot (see attachment). Also from the
same left side of the
hat, I see other initials.

I also wanted to know, if possible, how long it would take to get your opinion on the painting. Just a
rough estimate would be fine, since its my first time going through the process.

I appreciate very much all your help. Please do not hesitate to contact me if you have any questions.

Best Regards!

Luisa
